

Mariner's Pointe Electronic Communications Policy
Effective April 1, 2009

The Board of Directors of the Mariner's Pointe Homeowners' Association will authorize business it conducts through email by emailing all Board members and electronically voting on the business. Print copies of votes will be retained by the Board President and will be available to homeowners upon request. Business conducted through email will be reported at the next regular Board meeting. (NC Law/Statute 55A-1-70, 55A-8-21)

The Board will not use electronic communication for membership voting or accepting proxies. The Board may use electronic communication to announce the Annual Meeting only in conjunction with written notice of the meeting. The Board may use email to announce its regular meetings. (NC Law/Statute 55A-7-08, 47F-3-108, 47C-3-108, 55A-7-24)

All Board communication that addresses Board business with homeowners will be conducted via the Board's email address and will represent the will/opinion of the majority of the Board.
